A large, vibrant collage of student photos and activities. The word "Yearbook" is written in large, stylized white letters with a blue outline across the top center. The collage includes numerous small photos of students in various settings: some are posing for portraits, others are in groups, and some are engaged in activities like dancing or playing sports. The photos are arranged in a grid-like fashion, with some larger images and many smaller ones. The overall theme is a collection of memories from the school year.

Message to a Senior

2012-2013

Lauren Vidourek,
Friendship never dies. Do you remember 6th grade? You were the first friend I ever had when I moved from California. Thanks for being a good friend for the past 7 years. Thank you for being my football girl for my last year of football. It's been fun with you.

-Daniel Kennedy

Hunter Clements,
Do you remember when we first got to hang out? We took a trip to McDonald's to get something to eat and drink at like 3 in the morning, but they were closed so we went to Shell instead and we got the biggest cup of coffee they had (and 4 things of donuts and sandwich thing.)

-Dylan Mettler

Sarah Jane Wiley,
Hello! So, I'm jealous you graduate this year! You better go to college! And don't forget about me! I <3 You!

-Your Secret Admirer :P

Cole Anderson,
Ohhhh Emmmmm Geeeeeee. What am I going to do in yearbook class without you?! You are so funny and can make everyone's day 10x better. You always made me laugh in yearbook with all your funny pictures and weird videos. I can't believe you are graduating! I wish nothing but the best for you in the future. I wuv you Coley.

- Holly Phillips

Ben Williams,
You've been like my brother ever since we met in 8th grade when we played football together. You and Bradley helped me through a lot in the past couple of years.

-Dylan Mettler

Taylor Wilson,
I'm definitely going to miss you picking on me next year. You are such a sweetheart. It's going to be weird not having you here to bring us food. Have fun after you graduate(:

- Holly Phillips

Cole Anderson,
I really hope one day we can be together. You are perfect in every way. I stare at you everyday in the hall and hope you notice me. I have your pictures all over my wall. I know we will be together in the future. Can't wait for Cole Jr.(: To infinity and beyond.

- Your secret admirer

Cole,
I'm glad that we have become
so close this year! I'm so happy
God has put you in my life.
Thanks for such a great senior
year.
-Love, BFF Madyson Hillis

Cody Sampley,
We have been friends ever since you
knocked over my blocks in Kindergarten
and still, to this day, we're best friends. I'm
glad all of us get to graduate together. I love
you, man.
-Love, Cody Howard

Tyler Rank,
I am so proud of you! I
know you will achieve
great things in life. Open
any doors that come your

person!
-Love, Katlyn Harbin

Bryce Nicole Perry,
Hello my baby Sooner. I cannot believe how fast the past two & a half years
have flown by. I am so blessed to have you in my life. I would be so lost
without you. I am so beyond proud of you and I can't wait to see what the
future holds. You have been (and are) the bestest friend, big sissy, and secret
keeper I could ever ask for. Please just remember this is not a goodbye,
because I will still be by your side as your #1 fan. I love you with all my heart.
-Love always, Shanaynayboobobear :)

Madyson Hillis,
I really enjoyed playing
volleyball together. You're
so awesome and funny.
Good luck with volleyball
in college!!
-Nat

Tristen Allison,
Thank you, Tristen, for everything you have taught
me and showed me (and for many more years of
crazy). You have given me the ability to go around in
my underwear and not care. Thank you for that. You
helped shape me into the person I am today. Love
you.
-Unknown

Aubrey Malone,
I'm gonna miss my
best friend. I
honestly never
thought the
moment would
come when we
would have to say
goodbye to each
other. I love you!
- Erica Bjorndal

Allie Marie Millican,
There is so much I could say to you
but I would really just like to say that
getting to know you and becoming
such good friends this year has
been so much fun. You are so
amazing, and I'm so thankful to have
you in my life. We have had so
many laughs and memories but,
hopefully, have more to come. I love
you lots, pretty lady.
-Love always, Shania Elaine

You are the best friends & sisters anybody could ask for. Thanks for helping us start high school and for always being there for us... two doors down. We love you so much & won't know what to do without you guys. We know God has amazing plans for y'all.
-Love your little sisters, Hannah & Monica

Larissa Fulton & Ashley Flores,
I thought math was going to be terrible because I had no one to talk to, but that changed quickly when we all moved to the back. Now we all sit and don't understand anything together. LOVE YOU GUYS!
-Abbie Wilkinson

Abbie Wilkinson and Ashley Flores,
I had a blast with you two in Mrs. Crain's class. Whether it was talking about some mean girl, y'all giving me a hard time or Mrs. Crain getting on to us for always talking! I'll have to say I'm going to miss that class very much and I'm gonna miss y'all! Don't forget I'll be sure to call y'all if I'm in any trouble(;
LOL.
-Larissa Fulton

Koven Pulliam,
We looked death in the eyes and said "not today home boy."
-Cristian Ontiveros

Elizabeth Teniente,
We've been together for a while and I'm still enjoying our time together :) I love you as much as the first time I said it.

-Abbie Wilkinson

Morgan Myers,
I had a bunch of fun pretending to be a cat with you this year and yelling at each other at work. I hope we are still good friends out of high school.
-Abbie Wilkinson

Valerie Gawron,
I loved giving you a hard time and taking you with me to rodeos! You've become one of my best friends...Glad you know I'm not as intimidating as I look haha! I hope to keep in touch! Love Ya Girly!
-Larissa Fulton

Sydney Lyon,
From 7th grade on, my life was changed. We were instantly best friends and I know we will be, till death due us part. This isn't a marriage proposal, but a best friend proposal. I cannot see myself being as close to anyone (not family related) else, and if you'll have me, I hope to stay your best friend forever. So, Sydney Lyon, will you do me the honor and make a final promise to always stay best friends? Through the entire college experience, through our probable job issues, into adulthood and until we grow old and grey? I love you Sydney Lyon, and thank you for always being there for me.
-Love, Teri Meador

Hailey Brown,

We are so proud of you and the wonderful young man you have become. May the rest of your journey continue to bring you happiness and success. You are destined for great things, and we are so glad to be a part of it. Always stay true to your heart, believe in yourself, be open to new experiences, make good choices, be proud of your accomplishments, accept all that you are, forgive others and yourself, and remember...dreams are reality waiting to happen!

All of our love, Mom and Dad

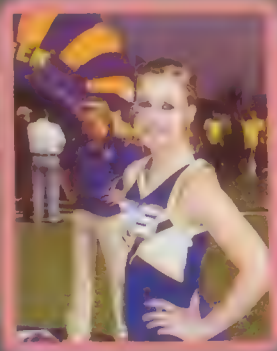

Even if there is a tomorrow when we're not together...there is something you must always remember. You are braver than you believe, stronger than you seem and smarter than you think. But the most important thing is, even if we're apart...I'll always be with you.

Catherine Hope Haber

"Hope". Your name says it all. . . You give hope and strength to all of your family and friends that are blessed to have you in their lives. Follow your heart and you will find the way. Your family and friends are proud beyond words for the person that you have become. Always know that you are loved more than you will ever know. Wherever life leads you, your faith in God will guide you as it has always done.

Love,
Your family and friends

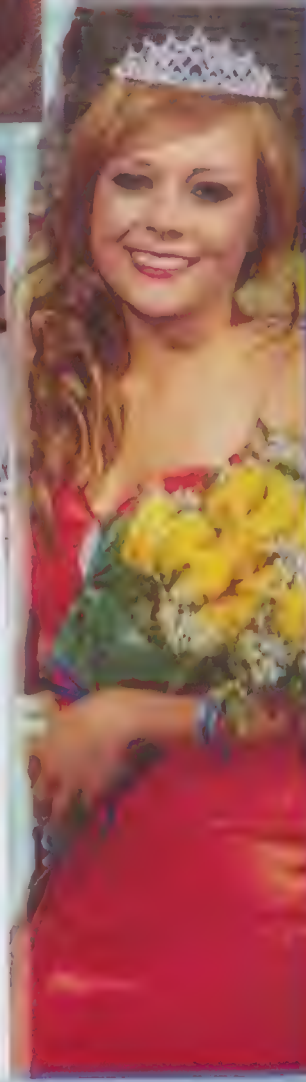

We are so proud of you and all that you have accomplished over the past 18 years. You have grown into a beautiful young woman with a strong set of beliefs. Your future is full of possibilities and we know you will continue to make us proud!

THOMPSON

Your senior year is here and soon high school will be behind you. We know how hard you've worked to get to this point and we're extremely proud of you. You have always stuck to your beliefs and not been swayed by what others might say or how they might react. You are your own man and that strength and strong character will serve you well as you graduate and leave SHS. The future is an open canvas and we are confident that your life's painting will be as remarkable as you are.

THOMPSON

Wow! Soon your senior year will be over. We are so proud of you and the things you've accomplished in school. You have made the most of your high school years and stayed with drill team through lots of good times and some that were difficult. Through it all, you took the high road and gave every dance your best effort. Two years as Drill Team Captain is a reflection of your hard work and dedication to the art of dance. Your future is a dance that only you can choreograph. But we know that the steps you take will be as beautiful as the young lady you've become.

Love, Mom & Dad

We are so blessed that God gave us you to be a part of our family. You have truly grown into a beautiful young lady. We look forward to seeing what God has planned for you in your future. We applaud all the hard work you have done throughout the years to accomplish your goals. Jeremiah 29:11 fits you perfectly:

"For I know the plans I have for you, declares the Lord. Plans to prosper you and not to harm you, plans to give you a hope and a future."

We Love You Bunches!
Dad & Mom

Makayla Crawford

Good luck Mikki. I'll miss you. I'm proud of you and hope you do good in college. Love your little sis!

Mikayla J. Stogsdill

We love you so much and are so proud of you. All your life you have had to overcome so much. You have given up so much to pursue the sport you love. With prayer, hard work, and dedication, God has rewarded you. As you continue your journey at the next level, please remember faith and family will see you through. Continue to cherish every sunset. Your tender heart and innocence is what makes you who you are. We could not have asked anymore from a child.
Love, Dad and Mom

We are so proud of the young man you've become. You are smart, hard-working, and one of

the happiest people we know. We are so blessed to have watched you show, rope, and play in all your activities. We love you and can't wait to see what God has

Hubrey Malone

Our pretty, little blond with a big city name...we remember how you wondered why everyone was screaming at you (Go Aubrey!) at the football games when you were little. You have such a good sense of self and values...such a blessing you are to those who love you...such a ray of sunshine you are to everyone you love...your laughter makes us all laugh with you. We are still screaming "Go Aubrey!" with every big step you take, with every race you run, & in all the challenges you face. Keep your faith always...Proverbs 4: 11-13 "I have taught you the way of wisdom; I have led you in the paths of uprightness. When you walk, your step will not be hampered, and if you run, you will not stumble. Keep hold of instruction; do not let go; guard her for she is your life." Run like the wind, baby girl! State-bound!!

Our love always,
Momma & Daddy

We want you to know how proud we are of the man you have become. A parent couldn't wish for a better son. Your sweet smile and infectious laugh make you a joy to be around. You survived being named Leif without too much mockery, and hopefully you have even come to like it. You also survived having Meghan for a sister (endless sporting events that you had to attend. Sorry!) You came into, and almost left, this world in February of 1995. We were spared that unbearable tragedy, and you were given this life to live. Our hope is that you find your purpose and the happiness you deserve. And remember, we are here for you, whatever you need... WE LOVE YOU, Dad, Mom, Meghan, and Steven

A few days after you were born, your Grandma came over to visit and found me holding you while crying. She asked me why I was crying and I told her that it wouldn't be long until you were grown and out of high school and living your own life. It's only been a blink of an eye for me and now my little girl is all grown up and no longer needs her Mommy. You are such a beautiful and talented young lady. I pray that you have a successful life, not just of riches, but also of Faith, Hope, and Love. Love always and forever, Mama

 Or just your smile always brightens my day!
 As you close this chapter in your life and move on to the
 next chapter know that your daddy and I will always be
 there for you in all that you do.
 May all of your dreams come true and all you have
 learned give you the confidence to be what you aspire to

There were so many prayers
 And years of trying.
 Though God was in charge
 I still sat sighing.

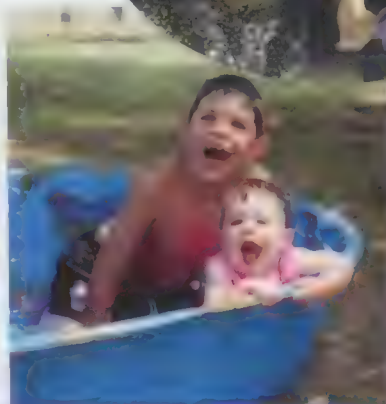

Hand-picking our children
 Was always his plan.
 Giving a wonderful daughter
 To become so much more than.

From a headstrong toddler
 To the Homecoming court.
 The memories are bountiful
 Each one is its own sort.

Raising and teaching you
 My best times I did spend.
 Not knowing you'd grow up
 And become my best friend.

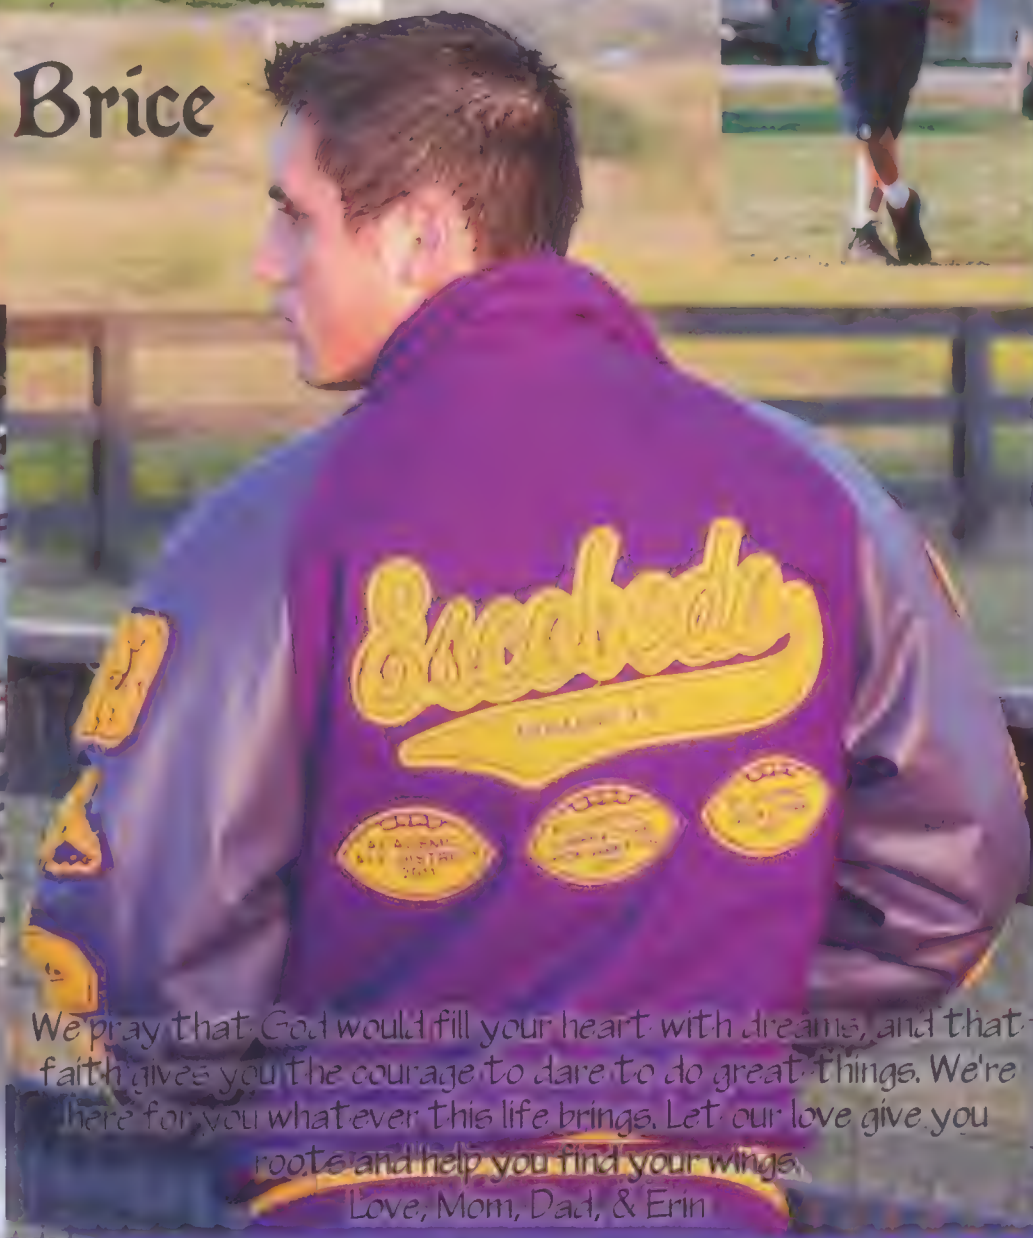

So many blessings to come
 Each one you will cherish.
 That your plan be as glorious
 To God I pray and wish.

With all our love,
 Mom, Dad, and Bodey
